Good morning everyone,

We were able to get an optional quote for higher limits for the non-monetary defense coverage. Per the underwriter, they can provide \$250K/\$500K aggregate sublimit for an additional \$687 premium, regardless of which limit of liability you choose.

Please let me know if you have any other questions and if in fact you'd like to bind coverage for the 5M liability option with these higher sublimit options. Also, would you like us to short term this new policy to match up to the original 9/25 date or would you like to keep with an 11/1?

Thank you,

Jill A. Webb
